MAY 28 1976

Honorable George Bush  
Director of Central Intelligence  
Washington, D.C. 20505

Dear Mr. Director:

Attached for your information is a copy of the guidelines I have issued relating to the foreign intelligence and counter-intelligence responsibilities of the Federal Bureau of Investigation pursuant to the provisions of section 5(h)(2) of Executive Order 11905. These guidelines become effective May 30, 1976, except for those portions marked with brackets.

Experience may indicate the need for some revision of these guidelines in the future and further changes would, of course, be required upon enactment of the Administration's proposal on Foreign Intelligence Surveillance. I am confident, however, that the guidelines in their present form address the President's concern for adequate control and supervision of the essential foreign intelligence and counterintelligence responsibilities of the Federal Bureau of Investigation.

Sincerely,

*Edward H. Levi*
